14	**Parchment** J: Jack Tudor T: David Pipe	4.2	116	143	0	154-	younger profile with scope to progress; fitness after a long break is a question.

Method & provenance

The runner percentages in this report are produced by the repository's transparent baseline using official rating, recent finishing positions, weight, age/progression, recency and a small course-aware draw prior. Probabilities are normalised within each race so they sum to 100%. The frozen ITV7 selection is preserved independently of this reporting score. Historical calibration, Course DNA, pace and market-disagreement layers remain separate experimental components.
